

Dining at any time? At Cascades of the Sierra, we call that *EverDine*

Residents are invited to enjoy meals in *Remington's* and *Winchester's*, our signature dining areas, during dining room meal times. Select from our All Day EverDine menu, as well as our Signature Daily Chef Specials.

In addition, our EverDine menu is offered for service in The Fireside Club.

Inviting to the community at large, The Fireside Club offers its own bistro-style menu as well, plus an Espresso bar and cocktail lounge to complement fresh pastries, desserts, paninis, pizza and tapas-style offerings.

At all times, menu choices include Sierra selections, which are lighter fare options that are reduced in fat, sodium and/or sugar.

The *EVERDINE* difference...
choice in what you eat, when you eat and where.
